

THE COLLEGE OF NEW JERSEY

Welcome to TCNJ's Lions Day Open House!
- November 19, 2011 -

The Office of Undergraduate Admissions and TCNJ's greater campus community are excited to be a part of your college search. We hope you take advantage of this unique opportunity to interact with our faculty at an academic information session and approach our Admissions counselors throughout the day or at an Admissions Q&A session.

We encourage you to spark conversations with our student ambassadors and other campus leaders. Finally, we hope you'll take a guided tour of our campus, though you are free to wander on your own, at your leisure, after your sessions.

Enjoy your day with us!
